Description:

Funding gives the Secretary of Defense essential agility to quickly respond to Warfighter urgent operational needs that if left unresolved will result in or have already resulted in loss of life and/or critical mission failure to U.S. forces in contingency operations, world-wide. Readily available funds would jump-start action to fund urgent requirements while the Department reprioritizes Defense requirements and funding to accomplish more time consuming reprogramming actions that will provide the balance of funding needed to resolve the urgent need.

The JUONF was established as an account in the Treasury by Title 10, United States Code, Section 2216A. Amounts in the fund are to be available to the Secretary of Defense for capabilities that are determined by the Secretary, pursuant to the review process required by section 804(b) of the Ike Skelton National Defense Authorization Act for Fiscal Year 2011 (10 U.S.C. 2302 note), to be suitable for rapid fielding in response to urgent operational needs.
