<p>Description: FY 2018-2022, the DLA Procurement program consists of Passenger Carrying Motor Vehicles (PCMV), Continuity of Operations (COOP) equipment, Warstoppers equipment and Morale Welfare and Recreation (MWR) surveillance equipment.</p> <p>PCMV replacement is required to support DLA's overseas logistics operations. DLA maintains field offices in Europe, Kuwait, Korea, England and Japan. Replacement of Agency-owned and commercially leased PCMV's with owned PCMV's is required in cases when it is less expensive to own rather than commercially lease. PCMV ownership is usually significantly less expensive than commercial leasing at overseas locations.</p> <p>COOP Office - this program is reported in accordance with Title 10, United States Code, Section 119(a)(1) in the Special Access Program Annual Report to Congress.</p> <p>WARSTOPPER Program requires the modernization of the microcircuit surge capability for emulated legacy (no active production) microcircuits. These microcircuits are identified as critical within over one hundred weapon systems, and present an industrial readiness vulnerability. The modernization plan for the surge capability will require recurring funds for six years.</p> <p>MWR-Closed Circuit TV (CCTV) systems at the Child Development Center (CDC) require upgrades and expanded coverage of video surveillance capabilities. The systems are to mitigate anti-terrorism and force protection vulnerabilities, and enhanced security at the CDCs as well as serve as an institutional child abuse deterrent. The enhanced remote viewing of the center is required to ensure the safety and well-being of our children as well as employees. These systems are required by DoD.</p>												
<p>Justification: A full-year FY 2017 appropriation for this account was not enacted at the time the budget was prepared; therefore, the budget assumes this account is operating under the Continuing Appropriations Resolution, 2017 (P.L. 114-254). The amounts included for 2017 reflect the annualized level provided by the continuing resolution. Base: FY17PB (\$2.055M) + Request for Additional Appropriations (\$1.750M additional FY2017 funding is for OSD COOP Office - this program is reported in accordance with Title 10, United States Code, Section 119(a)(1) in the Special Access Program Annual Report to Congress).</p>
